*Thank you for booking a screen and projector with Concord Function Centre.*

To ensure everything goes smoothly, we'd like to let you know about our system.

**Connection to our system requires a cable that looks like this.**

**The other side should connect to your computer**

You are required to bring your own laptop and HDMI cable.

Concord Function Centre **does not** provide them.

Feel free to drop by the Function Centre before your event to test our your equipment and it's always great to have a back up plan.
